PROJECT NO. R2006-03420-(5)
CONDITIONAL USE PERMIT NO. 200600271-(5)

1. This grant authorizes the use of the subject property for the continued operation and maintenance of a motion picture set and caretaker's mobile unit within the A-2-1 (Heavy Agricultural—1-acre minimum lot size) zone.

2. Unless otherwise apparent from the context, the term "permittee" shall include the applicant and any other person, corporation, or other entity making use of this grant.

3. This grant shall not be effective for any purpose until the permittee has filed at the office of the Department of Regional Planning their affidavit stating that they are aware of and agree to accept all of the conditions of this grant, and that the conditions of the grant have been recorded as required by Condition No. 8, and until all required monies have been paid pursuant to Condition No. 10.

4. The permittee shall defend, indemnify and hold harmless the County, its agents, officers, and employees from any claim, action, or proceeding against the County or its agents, officers, or employees to attack, set aside, void or annul this permit approval, which action is brought within the applicable time period of Government Code Section 65009 or any other applicable limitation period. The County shall notify the permittee of any claim, action, or proceeding and the County shall reasonably cooperate in the defense.

5. In the event that any claim, action, or proceeding as described above is filed against the County, the permittee shall within ten days of the filing pay the Department of Regional Planning an initial deposit of $5,000, from which actual costs shall be billed and deducted for the purpose of defraying the expenses involved in the department's cooperation in the defense, including but not limited to, depositions, testimony, and other assistance to permittee or permittee's counsel. The permittee shall also pay the following supplemental deposits, from which actual costs shall be billed and deducted:

   a. If during the litigation process, actual costs incurred reach 80 percent of the amount on deposit, the permittee shall deposit additional funds sufficient to bring the balance up to the amount of the initial deposit. There is no limit to the number of supplemental deposits that may be required prior to completion of the litigation.

   b. At the sole discretion of the permittee, the amount of an initial or supplemental deposit may exceed the minimum amounts defined herein.

   The cost for collection and duplication of records and other related documents will be paid by the permittee in accordance with Los Angeles County Code Section 2.170.010.

6. This grant shall expire unless used within two (2) years from the date of approval. A one-year time extension may be requested in writing and with payment of the applicable fee at least six (6) months prior to the expiration date.

7. If any provision of this grant is held or declared to be invalid, the permit shall be void and the privileges granted hereunder shall lapse.

NO PERMIT

8. Prior to the use of this grant, the terms and conditions of the grant shall be recorded in the office of the County Recorder. In addition, upon any transfer or lease of the property during the term of this grant, the permittee shall promptly provide a copy of the grant and its conditions to the transferee or lessee, as applicable, of the subject property.

9. **This grant will terminate on March 4, 2028.** Entitlement to use of the property thereafter shall be subject to the regulations then in effect. If the permittee intends to continue operations after such date, a new Conditional Use Permit application shall be filed with the Department of Regional Planning at least six months prior to the termination date of this permit, whether or not any modification of the use is requested at that time.

10. The subject property shall be maintained and operated in full compliance with the conditions of this grant and any law, statute, ordinance, or other regulation applicable to any development or activity on the subject property. Failure of the permittee to cease any development or activity not in full compliance shall be a violation of these conditions. Prior to the use of this grant, the permittee shall deposit with the County of Los Angeles the sum of $1,500.00. These monies shall be placed in a performance fund which shall be used exclusively to compensate the Department of Regional Planning for all expenses incurred while inspecting the premises to determine the permittee's compliance with the conditions of approval, including adherence to development in accordance with the approved site plan on file. The fund provides for 10 biennial inspections. Inspections shall be unannounced.

    If additional inspections are required to ensure compliance with the conditions of this grant, or if any inspection discloses that the subject property is being used in violation of any one of the conditions of this grant, the permittee shall be financially responsible and shall reimburse the Department of Regional Planning for all additional inspections and for any enforcement efforts necessary to bring the subject property into compliance. Inspections shall be made to ensure compliance with the conditions of this grant as well as adherence to development in accordance with the approved site plan on file. The amount charged for additional inspections shall be the amount equal to the recovery cost at the time of payment (currently $150 per inspection).

11. Notice is hereby given that any person violating a provision of this grant is guilty of a misdemeanor. Notice is further given that the Regional Planning Commission or a hearing officer may, after conducting a public hearing, revoke or modify this grant, if the Commission or hearing officer finds that these conditions have been violated or that this grant has been exercised so as to be detrimental to the public health and safety or so as to be a nuisance.

12. All requirements of the Zoning Ordinance and of the specific zoning of the subject property must be complied with unless specifically modified by this grant, as set forth in these conditions or shown on the approved plans.

13. Provisions shall be made for all natural drainage to the satisfaction of the Department of Public Works.

DRAFT PERMIT

14. The subject facility shall be developed and maintained in compliance with the requirements of the Los Angeles County Department of Health Services. Adequate water and sewage facilities shall be provided as may be required by said department.

15. All structures shall comply with the requirements of the Division of Building and Safety of the Los Angeles County Department of Public Works.

16. All structures, walls, and fences open to public view shall remain free of extraneous markings, drawings, or signage. These shall include any of the above that do not directly relate to the facility being operated on the premises or that do not provide pertinent information about said premises. The only exceptions shall be seasonal decorations or signage provided under the auspices of a civic or non-profit organization.

17. In the event of an occurrence of such extraneous markings, drawings, or signage, the permittee shall remove or cover them within 24 hours of such occurrence, weather permitting. Paint utilized in covering such markings shall be of a color that matches, as closely as possible, the color of the adjacent surfaces.

18. The subject property shall be developed and maintained in substantial compliance with the plans marked Exhibit "A."

19. The permittee shall maintain the subject property in a neat and orderly fashion. The permittee shall maintain free of litter all areas of the premises under which the permittee has control.

20. This grant allows motion picture production including the maintenance of a motion picture set and a caretaker's mobile home subject to the following restrictions as to use:

    a. There shall be no solid perimeter fencing or chain-link fencing around the property. Any fencing that is maintained or installed shall allow small wildlife—such as rabbits and tortoises—to pass through freely;
    b. The southern one-third of the property is to remain under natural conditions, with no vegetation to be removed;
    c. All Joshua trees (*Yucca brevifolia*), alive or dead, including fallen branches, shall remain undisturbed;
    d. Domestic pets, dogs and cats in particular, shall be forbidden, except within enclosed cages or pens or when being filmed as part of a motion picture production; and
    e. All-terrain vehicles or off-road vehicles shall be prohibited from use on the property, except as a prop, where such use will be restricted to existing disturbed areas as identified in the Biological Constraints Analysis dated June 1993.
